**Please bring this catalogue
with you to the sale.**

2023

WELCOME

Welcome to the 35th Annual Pomanara Merino Stud Superfine Wool Ram Sale. This year we have changed the date to Friday and we hope that this change will make it better for our clients and all those interested to come along and view our rams.

It has been a very tough year, to say the least. In March we had a horrendous bushfire that burnt out over 35,000 hectares of neighbouring country. It got to our boundary on 3 occasions but thanks to the hard work of our son James, along with the dozer driver, the fire fighters were able to contain it. Continuous dry weather since has left us with minimal feed and minimal water in dams. The down turn in commodity sales is hard felt by merino and lamb producers but hopefully its upwards from here. Wool prices have been slightly up and down but consistent for the finer end.

The rams we are offering this year have presented well and we have changed the line up to 3 age groups of rams so that buyers will have a top selection of each age group at the one sale.

It is a special year for Robyn & I as we celebrated our 40th Wedding Anniversary. Also, the safe arrival of another beautiful granddaughter Caydence Rayner, a daughter for James & Audra and sister for Clayton. We will also be celebrating the marriage of our youngest son Luke, to Tiarne on the 14th October. It is special times like this that make what has been a tough year for us worthwhile.

This year the proceeds from lunch sales will go to a local Arts & Craft group in Bathurst. We love being able to support local charities and we thank everyone for their support in doing so.

As always, please do not hesitate to contact myself, Brad Wilson or Marcus Schembri for further information.

Purchaser: Price:

AUSFINE is a brand name and registered trademark for use as a commercial vehicle for traditional superfine and fine wool growers, ram breeders and sheep producers to identify, differentiate and promote their product.

International consumer trends are demanding identifiable market brands with the ability to supply the necessary providence for the eco-conscious consumers of today, particularly in the luxury product area.

AUSFINE provides a unique quality recognised market brand to the superfine and fine wool industry globally.

AUSFINE has established a decisive marketing edge in the superfine and fine wool industry by identifying and branding the AUSFINE production, be it wool, ram or sheep, from the general production class.

AUSFINE maintains and enhances premiums in the markets by clearly separating its member's productions from the generic terms, similar identification and general classifications used presently by most in the Australian merino wool, ram and sheep industry.

The AUSFINE brand has become synonymous with a type of wool, a type of ram and a type of sheep that the wool industry readily relates to as being of the highest quality.

A superior product deserves recognition.

To join the Ausfine Wool Company simply:

1) Ask your wool agent for independent advice and to organise the membership

OR

2) Contact Ausfine directly by calling Scott Carmody on 417 983 050 or email scottcarmody@bigpond.com

Top priced ram purchased by Graeme Stokes Tasmania. James Rayner holding the ram with David Hart Nutrien and Agriwest Manager Peter Knight.

Sydney Royal Easter Show 2023 Winners of the Brian Devereaux Memorial Trophy.

Geoff holding the Junior Champion Ultrafine Wool Ram - the Australian Sheep and Wool Show Bendigo 2023
